**Dear Parents,**

**Summer Vacation is the most awaited time for parents and kids alike. We, at Orleans - The School, understand it very well that presently our proximity to resources is limited. Considering this, we have tried to keep "Summer Holidays Homework" simple and informative but interesting as well, so that our Woodlanders love to spend their time in completing it.**

**The objective of holiday's homework is to enable the work independently and also to improve their academic skills.**

**Here are few suggestions for parents:-**

- Make sure that you are spending quality time with your wards amidst this tensed environment. It is very important to keep their anxiety at minimum.**
- Giving them small responsibilities in household chores will aid them to be independent.**
- Teach them the importance of moral values in their life.**
- Motivate them to read good books.**

- 
- Encourage them to do one handwriting page each of English and Hindi daily.
